Letter to Shareholders

Dear Shareholders,

Greetings and best wishes to you all.

It gives me great pleasure to extend my heartfelt gratitude for your continued trust and unwavering support for BEL-THALES Systems Limited (BTSL). Your confidence in our vision and strategic direction remains the driving force of our achievements, and we are deeply committed to delivering sustained excellence in all that we do.

On behalf of the Board of Directors, I am pleased to present the 11th Annual Report of your Company for the financial year 2024–25. As we reflect on our journey, I take immense pride in the progress we have made together. We have successfully navigated challenges, marked key milestones, and strengthened the foundation for a promising future.

Financial and Performance Highlights of the Year

We are pleased to report strong financial performance in the financial year 2024-25 marked by consistent growth across key metrics:

Turnover:	Rs. 11,777.77 Lakhs, reflecting a robust growth of 26% from the previous year's turnover of Rs. 9,377.68 Lakhs.
Profit Before Tax (PBT):	Rs. 540.17 Lakhs, a notable increase from Rs. 466.10 Lakhs in the previous year.
Profit After Tax (PAT):	Rs. 473.16 Lakhs, marking a substantial rise from Rs. 273.49 Lakhs in previous year.
Order Book:	Rs. 238.69 Crores as of 31 st March 2025, reflecting the continued strong demand for our products and services.

This year's strong growth in both revenue and profit demonstrates the effectiveness of our strategic investments and operational improvements. The increase in both PBT and PAT highlights the progress made in operational efficiency and cost management, setting us on a solid footing for sustained growth in the coming years.

Dividend

In keeping with our commitment to rewarding our shareholders, the Board of Directors is pleased to recommend a dividend of Rs. 2.48 per equity share for the financial year 2024-25. This dividend, subject to shareholder approval, will be payable on the paid-up equity share capital of the company. Upon approval by the shareholders, the total cash outflow for the payment of the dividend would amount to Rs. 142.89 Lakhs.

This dividend reflects the Company's continued growth and financial strength, while also demonstrating our commitment to providing value to our shareholders.

Opportunities and Outlook

The Company has undertaken strategic initiatives to diversify into both related and new domains, aiming to enhance business prospects and broaden its product portfolio. Significant orders have been secured, including:

- ARSI (Prototype & Test Bench)
- SAF (Shock Absorbing Foundation)
- FZ906 Mock-up, Prototype, and Serial Production
- Manufacturing 34 units of LBREC for Rafael Offset Program of Indian Navy

BTSL possesses strong capabilities in Radar Service Management and has been awarded contracts by the Indian Navy, HAL Bengaluru and Nasik. Budgetary Quote for Additional contracts from ICG Daman and DRDO have been submitted and are currently under consideration.

The Company continues to pursue a range of promising business leads, including:

- Weather Radar for LCH
- LLLWR (Low-Level Light Weight Radar)
- TACAN
- SONARS & ELECTRONIC WARFARE
- Testing and Environmental Stress Screening (ESS) for PCBs
- Product support projects such as IFF installation
- Design, implementation, and maintenance of the Unique Digital Identity project
- Collaboration as an industry partner for the Seabed Sensor initiative

To support these activities, BTSL is expanding its infrastructure. The current integration lab is well-equipped for production and includes facilities for quality inspection, assembly, testing, functional verification and system integration. BTSL has augmented its environmental facilities for ESS & Qualification testing.

The Company is also exploring opportunities in the Civil Aviation and Indian Space business segments. In preparation for future market dynamics, BTSL is actively scaling up its capabilities and has shown a strong interest in adopting alternative business models, which are expected to gain further traction in the coming years.

Corporate Social Responsibility and Sustainability Development

Your company is committed to social responsibility. We have undertaken a project towards integrating our social and business goals in a sustainable manner in line with schedule VII of the Companies Act, 2013. During Financial Year 2024-25 an amount of Rs 12.82 Lakhs has been spent under CSR that includes a contribution of Rs 0.89 Lakhs towards the PM CARES Fund also.

Governance and Transparency

Your company always makes sincere efforts to ensure compliance with Guidelines on Corporate Governance for CPSEs issued by Department of Public Enterprises (DPE), Government of India, to the extent compliances are within ambit of the Company. During the year 2024-25, your Company's compliance with 'DPE Guidelines on Corporate Governance' has been rated as "Excellent" as per 'Corporate Governance Grading System' prescribed by DPE. The Company is committed to adopting the best Corporate Practices based on transparency, conscience, and accountability. As also the Company has received non-review certificate on accounts of BEL-THALES Systems Limited for year ended 31st March 2025 from the office of Comptroller and Auditor General of India (C&AG).

Credit Rating

The improvement in financial performance, and the resultant financial strength, is also reflected in the reaffirmation of the credit rating AA (Stable) rating, assigned by ICRA Limited credit rating agency for the financial year 2024-25.

Quality systems

Being a defence company, the quality of the product is of paramount importance, and our products should work the first time and every time. Hence, these products require stringent quality standards and a high degree of reliability. In pursuit of this objective, BTSL has adopted and maintains very high-quality standards and because of this BTSL has been re-certified with AS9100D & ISO 9001: 2015 by the certification body, TUV SUD AMERICA INC.

Looking Ahead

We are focusing on strengthening our base of doing business and are looking forward to improving our practices to be more economical & reliable as a way forward for being a progressive organization. Newer business opportunities are required to be explored for the necessary boost to achieve the make in India mandate of the Government of India.

Acknowledgments

Over the ten (10) years of its journey, your Company prudently invested in strengthening its foundation. With the commitment of our staff, the guidance of the Ministry of Defence Government of India, and the support of Bharat Electronics Limited, Thales India Private Limited and Thales LAS France SAS, I am confident that we will emerge all the stronger from our experience and consolidate our role in providing defence services.

On behalf of the Company, I am utmost grateful for the continued support and co-operation received from the Government of India particularly Ministry of Defence, Ministry of Corporate Affairs, all our shareholders, our valued Customers, Office of Comptroller Auditor General of India, Auditors, Vendors, other authorities and agencies which has enabled us to tread the path of consistent growth in spite of various business challenges.

The continued success of BTSL rests firmly on the bedrock of trust and goodwill built with our stakeholders. I once again extend my heartfelt thanks to Bharat Electronics Limited, Thales India Private Limited and Thales LAS France SAS and customers. Lastly, I am deeply indebted to my esteemed colleagues on the Board for their ingenious insights and the indomitable spirit of the entire BTSL workforce. With your valuable contributions, we shall embark on a thrilling journey to make BTSL reach unprecedented heights.

!!!Thank you and Jai Hind!!!

Yours Sincerely,

Sd/-

Annexure “I” to Board’s Report

**SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR
ENDED 31 MARCH 2025**

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members
BEL- THALES Systems Limited
CNP Area, BEL
Industrial Estate, Jalahalli,
Bangalore, Karnataka, India 560013

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by BEL-THALES SYSTEMS LIMITED (CIN: U32106KA2014GOI076102) (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31 March 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms, and returns filed and other records maintained by the Company for the financial year ended on 31 March 2025 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the Rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the Rules made thereunder - **Not Applicable**
- iii. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- iv. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder - **Not Applicable**
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 - **Not Applicable**

- b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 – **Not Applicable**
- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 - **Not Applicable**
- d. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (Not applicable during the audit period) - **Not Applicable**
- e. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 (Not applicable during the audit period) - **Not Applicable**
- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client - **Not Applicable**
- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (Not applicable during the audit period) - **Not Applicable**
- h. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 - **Not Applicable**
- i. The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 - **Not Applicable**

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by the Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines and Standards etc.as mentioned the above.

We further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws / guidelines/rules applicable specifically to the Company:

- i. Guidelines issued by Department of Public Enterprises;
- ii. Guidelines/Circulars issued by Ministry of Defence from time to time;
- iii. Order/Regulations issued by the Govt. of India from time to time;
- iv. E-Waste (Management & Handling) Rules, 2016;

We further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws / guidelines/rules applicable specifically to the Company;

Adequate notice, agenda and detailed notes on agenda were given to all directors to schedule the Board Meetings and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting; and

Majority decision was carried through while the dissenting members' views, if any are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there are following events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards taken place: **Nil**.

Annexure “III” to Board’s Report**Management Discussion and Analysis Report****Industry structure and developments:**

Over the last few decades, several key developments have transformed industry structures, particularly driven by technological advancements, globalization, and evolving consumer behaviors, some key trends like Digital Transformation and Technological Advancements, Consolidation and Mergers & Acquisitions, Globalization and Cross-Border Competition, Sustainability and Ethical Business Practices and Regulatory Changes and Political Risks.

Presently India is one of the largest importers of Defence equipment with majority of its Defence needs being met through imports, though India’s arms import has decreased in the recent years, as per the reports. The Government of India aims to develop a strong self-reliant domestic industry in the Defence sector with substantial participation from the private sector, including MSMEs and start-ups to reverse the trend of imports.

Overall, the structure of industries is evolving rapidly due to technological innovation, consumer preferences, regulatory changes, and global competition. Industry players are increasingly having to adapt to these dynamics, and companies that fail to innovate or adapt to these structural shifts may find themselves losing out in the long term.

Under these changing business scenarios, BTSL is focusing on enhancing its interaction levels and building long-term relationships with emerging Strategic Partners, users, and other key stakeholders in the Indian Defence/Non-Defence industry.

Strengths, Weaknesses, Opportunities and Threats:**a) Strengths**

- Growth-oriented & forward-looking organisation having strong connections with Domestic & International Defense & Non-Defence Customers.
- Defence PSU with good brand image, reputation, strong value system and work ethics.
- Agility in Diversification initiatives & Leveraging partnerships for growth.
- Strong Brand Image of BEL and Thales in National and international Market.
- Expertise in Radar & Radar Subsystem.
- Long-term commitment to customers Availability of the business resources, essential technological capabilities and capital from the Joint Venturers to start business operations.
- AS9100D Certified & ICRA AA rated company.

b) Weaknesses

- Lack of in-house products and technology.
- Dependence on Cyclic Defence & Non-Defence market
- Weak defence manufacturing ecosystems due to lack of Electronic System Design and Manufacturing (ESDM) companies.
- Dependence on foreign OEMs for certain critical technologies.

c) Opportunities

- Growing Defence budget allocation towards modernisation, upgrade programmes and maintenance repair & Overhaul.

- Technological capabilities acquired with the support of the Parent Companies have resulted in working on projects like Manufacturing & integration of Advance Rocket System Interface (ARSI), and on modules for fire control radar on BTP basis.
- The existing manufacturing infrastructure, facilities and expertise at BEL will be utilised for creating LCA LRU test facilities.
- To add new customers /Projects in the fleet of Product support wing other than for Radar Service Management like Installation of IFF on Navy ships, CMS on Navy ships etc.
- Offset Business Partner with Lockheed Martin which is Aerospace Major.
- Opportunities for Design, Implementation and Maintenance Unique Digital Identity project, Navigational Aids, LLLWR etc

d) Threats

- Rapid changes in technology.
- Manifold increase in competition from Indian private industry and foreign OEMs including their JVs in the Defence sector.
- Change in Market demands.
- The long gestation period of product evaluation and acceptance in the defence segment would be a strain for the newly formed company.
- Non-existent MSMEs for sourcing components and subsystems for the manufacture of state-of-the-art Radars would be a challenge.

Major initiatives undertaken and planned to ensure sustained performance and growth:

- Currently the company is having strong order book of INR 344 crores. Currently company is engaged in executing orders for ARSI, FZ906 & SAF on Built to Print basis.
- To sustain the performance recently company bagged the highest Export order from TDMS France for Manufacturing 34 units of LBREC worth INR 123 Cr, apart from this company is proactively working on various business leads , to name a few like testing & ESS for PCBs, Products support projects like IFF Installation, Design, Implementation and Maintenance Unique Digital Identity project, LLLWR, Industry partner for Sea Bed Sensor etc.
- The company is expanding its infrastructure, currently equipped with an integration lab for production purposes which includes Quality Inspection, Testing, Assembly, Functional tests, Thermal Cycling, Vibration tests etc.
- Company is pursuing opportunities in Civil Aviation and Indian Space Business Segment. The company is scaling up capabilities relevant to future competition.
- The company has already fostered interest in alternative business models that will continue to gain momentum over the next decade.

Segment-wise or product-wise performance:

- Radar Service Management – 7%
- Export – 2%
- Supply Chain (BGAs) – 91%

Outlook:

The Company has undertaken strategic initiatives to diversify into both related and new domains, aiming to enhance business prospects and broaden its product portfolio. Significant orders have been secured, including:

- ARSI (Prototype & Test Bench)
- SAF (Shock Absorbing Foundation)

- FZ906 Mock-up, Prototype, and Serial Production
- Manufacturing 34 units of LBREC for Rafael Offset Program of Indian Navy

BTSL possesses strong capabilities in Radar Service Management and has been awarded contracts by the Indian Navy, HAL Bengaluru and Nasik. Budgetary Quote for Additional contracts from ICG Daman and DRDO have been submitted and are currently under consideration.

The Company continues to pursue a range of promising business leads, including:

- Weather Radar for LCH
- LLLWR (Low-Level Light Weight Radar)
- TACAN
- SONARS & ELECTRONIC WARFARE
- Testing and Environmental Stress Screening (ESS) for PCBs
- Product support projects such as IFF installation
- Design, implementation, and maintenance of the Unique Digital Identity project
- Collaboration as an industry partner for the Seabed Sensor initiative

To support these activities, BTSL is expanding its infrastructure. The current integration lab is well-equipped for production and includes facilities for quality inspection, assembly, testing, functional verification and system integration. BTSL has augmented its environmental facilities for ESS & Qualification testing.

The Company is also exploring opportunities in the Civil Aviation and Indian Space business segments. In preparation for future market dynamics, BTSL is actively scaling up its capabilities and has shown a strong interest in adopting alternative business models, which are expected to gain further traction in the coming years.

Risks & Concerns:

- Lack of our Own Products - Dependency on Third Parties, Suppliers may change pricing, stop production, or inconsistent delivery schedules. Lower Brand Differentiation without unique products, it's harder to stand out from competitors.
- Low Product Margins - Selling low-margin items limits revenue growth and profit. Very high material cost.
- Attrition - Failure to Attract or Retain Top Talent
- Business Interruption
- The risk for FE variation is catered while preparing business proposals. Financial contingencies are included in the proposal.

Internal Control Systems and its adequacy:

The Company has an adequate system of Internal Control commensurate with the size and nature of its operations. They have been designed to provide measures with a view to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorised use or losses, executing transactions with proper authorisation and ensuring compliance of company's policies and procedures issued from time to time.

Financial / Operational Performance:

a) Strategy & Objectives

The main objectives of financial strategy of the Company are as follows:

- To make available funds by effective cash flow management.
- To effectively execute tax planning.

- To meet the expectations of various stakeholders.
- To maintain standards of financial reporting by following the mandatory Indian Accounting Standards.

b) **Performance Highlights**

(Rs. in Lakhs)

Particulars	Financial Year ended March 31, 2025	Financial Year ended March 31, 2024
Total Income	12252.18	10080.31
Total Expenses	11712.01	9614.21
Profit / (Loss) Before Tax	540.17	466.10
Less: Tax Expense	64.35	189.11
Profit / (Loss) After Tax	473.16	273.49

Human Resources / Industrial Relations:

As on March 31, 2025, total manpower of the Company was 24 employees, out of which 7 employees were on secondment from Bharat Electronics Limited, 1 employee on secondment from THALES and 16 employees on the rolls of your Company. The industrial relations scenario continued to be on a cordial and harmonious note. During the financial year 2024-25, there was no loss of man-days on account of industrial unrest. Employee training and development continued to receive key focus. During the financial year 2024-25, employees of the Company attended various training programmes, workshops, webinars etc. achieving 124 training man-days.

Environmental Protection and Conservation:

Your Company is committed to ensuring that our business growth does not harm the environment. Your Company has implemented various measures to decouple the environmental footprint to alternate sources of energy. As a responsible corporate citizen, BTSL works to promote and put into practice energy-efficient measures. Your Company continuously strives to mitigate the environmental impact that may arise from its business activities.

Corporate Social Responsibility:

Your Company as a socially responsible Corporate understands and acknowledges its responsibilities towards the communities, the environment and all other stakeholders involved in the process. CSR function at your Company aims to promote social good and integrate economic, environmental and social objectives with the company's operations and growth. In alignment with the vision of your Company, the CSR initiatives strive to enhance value creation in the society and the communities in which it operates, through its services, conduct & initiatives, promote sustained growth for the society, the community and those at the bottom of the pyramid, with the long-term goal of contributing towards the development of prosperous and inclusive India. Your Company has complied with DPE guidelines regarding spending on identified Thematic Areas, i.e. Health & Nutrition.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF BEL-THALES SYSTEMS LIMITED

Report on the Audit of the Financial Statements:

Opinion

We have audited the accompanying standalone financial statements of **BEL-THALES Systems Limited** ('the Company'), having **CIN U32106KA2014GOI076102** which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in Equity and the Statement of Cash Flows for year then ended on that date, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2025, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("The Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for Our opinion.

Key Audit Matters

In our opinion and to the best of our information there are no key audit matters.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013, with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Companies Act, 2013.

**S.R. & M.R. Associates
CHARTERED ACCOUNTANTS**

No. 2885, 14th Main Road, 'E' Block,
2nd Stage, Rajajinagar, Bengaluru-560010

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

A further description of our responsibilities for the audit of the Ind AS financial statements is included in **Annexure "A"** of this auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "B"**, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Companies Act, 2013, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company in electronic mode on servers located in India so far as it appears from our examination of those books. The Company has maintained backup on daily bases of its accounts and other records, as specified in the Companies (Accounts) Fourth Amendment Rules, 2022 dt.5th Aug 2022.

S.R. & M.R. Associates
CHARTERED ACCOUNTANTS

No. 2885, 14th Main Road, 'E' Block,
 2nd Stage, Rajajinagar, Bengaluru-560010

- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity, and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (to the extent applicable) prescribed under Section 133 of the Companies Act, 2013.
- e) The Company being a Government Company, the provisions of Section 164(2) of the Companies Act, 2013, in respect of disqualification of Directors are not applicable.
- f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure "C"**.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of Section 197(16) of the Companies Act, 2013, as amended:

The company being a Government Company, the provisions in relation to payment of managerial remuneration as mandated by Section 197 read with Schedule V to the Companies Act, 2013, is not applicable.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have pending litigations which would impact its financial position, except for the appeals filed with the Income Tax Department for AY 2015-16 & AY 2016-17 as detailed in Point No. vii (b) of the report given in Annexure B. As per the Management, the Company is not anticipating any major impact on these appeals.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

**S.R. & M.R. Associates
CHARTERED ACCOUNTANTS**

No. 2885, 14th Main Road, 'E' Block,
2nd Stage, Rajajinagar, Bengaluru-560010

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has declared dividend of Rs.82.97 Lakhs for the year 2023-24 and has paid the same during the year and hence compliance with section 123 of the Companies Act, 2013, is applicable to the Company.
- vi. Based on our examination, which included test checks, the Unit has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software and has been retained in accordance with applicable statutory requirements. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered during the year.
3. As required under Section 143(5) of the Companies Act, 2013, we have considered the directions issued by the Comptroller and Auditor General of India, the action taken thereon and its impact on the standalone financial statements of the Company in **Annexure "D"**.

**ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
FINANCIAL STATEMENTS 2024-25 TO THE MEMBERS OF BEL-THALES SYSTEMS
LIMITED**

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and

**S.R. & M.R. Associates
CHARTERED ACCOUNTANTS**

No. 2885, 14th Main Road, 'E' Block,
2nd Stage, Rajajinagar, Bengaluru-560010

(ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

 - a) A) the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
B) the Company has maintained proper records showing full particulars of Intangible assets;
 - b) The Property, Plant and Equipment were physically verified by the management in accordance with a regular programme of verification at reasonable intervals and no material discrepancies were noticed on such verification. In our opinion, the frequency of such verification is reasonable having regard to the size of the company and nature of its assets.
 - c) According to the information and explanations given to us, the company does not own any immovable property, hence this clause is not applicable.
 - d) The Company has not revalued its Property, Plant and Equipment during the year and hence the provisions of paragraph 3(i)(d) of the Order is not applicable to the Company.
 - e) There are no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder, and hence the provisions of paragraph 3(i)(e) of the Order is not applicable to the Company.
- ii. According to the information and explanations given to us,
 - a) Physical verification of inventory has been conducted at reasonable intervals by the management and no material discrepancies were noticed on such verification, and in our opinion, the coverage and procedure of such verification by the management is appropriate.
 - b) the company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets during any point of time of the year, and the provisions of paragraph 3(ii)(b) of the Order is not applicable to the Company.
- iii. The Company has not made investment, provided any guarantee or security or granted any loans and advances in nature of loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Hence paragraph 3 (iii) (a) to (f) of the Order are not applicable to the Company.
- iv. The company being a Government company, the provisions of section 185 and 186 of the Companies Act, 2013, in respect of loans, investments, guarantees, and security, are not applicable.

ANNEXURE "C" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS 2024-25 TO THE MEMBERS OF BEL-THALES SYSTEMS LIMITED

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of BEL-THALES Systems Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

2nd Stage, Rajajinagar, Bengaluru-560010

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at March 31, 2025, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(i) Deemed Cost

On transition to Ind AS (01.04.2015), the company has elected to continue with the carrying value of all its property, plant and equipment as at 01st April 2015 measured as per previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

(ii) Estimation of Useful Life of Assets

The management has estimated the useful life of the following categories of tangible assets (for assets which are different from the useful life indicated in Schedule II to the Companies Act, 2013) after taking into consideration, factors like expected usage of assets, risk of technical and commercial obsolescence, etc.

BEL-THALES Systems Limited
(CIN U32106KA2014GOI076102)

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

The estimated useful lives of various categories of Tangible Assets are as follows.

Assets Class	Years
Buildings	20-40
Plant & Machinery	5 to 15
Electronic Equipments	5
Office Equipment	5-7
Furniture, Fixtures & Equipments	6-10
Computer Systems	5
Right of Use Assets	5

(iii) Depreciation / Amortisation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the Assets.

Leased Assets are amortised on a straight-line basis over their estimated useful lives or their respective lease term whichever is shorter.

(iv) Method of Accounting Depreciation

Depreciation / Amortisation has been calculated as per the Accounting Policy No. 8 of the Company and recognised as expenses in the Statement of Profit and Loss. Amount of Depreciation recognised as part of Cost of Other Asset is Nil (Nil).

BEL-THALES Systems Limited
(CIN U32106KA2014GOI076102)

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

The Company has a defined benefit gratuity plan (unfunded) for employees of BEL - Thales Systems Limited.

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Contribution to Provident Fund included under contribution to provident and other funds.	44.80	37.45
	44.80	37.45

Defined Benefit Plans
(i) Gratuity

The Company provides for gratuity, a defined benefit retirement plan (the "Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Vesting occurs upon completion of five years of service. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation as of the balance sheet date. As at March 31, 2025 the Gratuity plan of the company is unfunded and no assets are maintained by the company and asset values are taken as zero; there is liquidity risk in that they may run out of cash.

These plans typically expose the company to actuarial risks such as: Interest rate risk, Liquidity risk, Salary escalation risk, demographic Risk and Regulatory risk.

Interest rate risk	The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).
Liquidity risk	This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash/cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.
Salary escalation risk	The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
Demographic risk	The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.
Regulatory risk	Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs. 20,00,000).

Trade Payables	2,206.48	1,858.73
Lease Liabilities	309.85	-
Other Financial Liabilities	142.53	268.40
Total Financial Liabilities	2,658.86	2,127.13

Note 39 - Financial Risk Management

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risks. The Company's focus is to foresee the unpredictability of financial markets and seek to minimise potential adverse effects on its financial performance.

The Company's Board of Directors has the overall responsibility for the establishment, monitoring and supervision of the Company's risk management framework. For this purpose, the Board has established a Treasury function which is responsible for conducting transactions to mitigate financial risk as per the appropriate policies and procedures formulated by the senior management. Derivative transactions are undertaken by a specialist team with appropriate skills and experience. However, the Company does not have a policy of trading in derivatives for speculation.

BEL-THALES Systems Limited
(CIN U32106KA2014GOI076102)

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

a) Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises from credit exposures from customers, cash and cash equivalents held with banks.

The Company has a credit policy and procedures in place aiming to minimise collection losses arising from credit exposure from credit customers. Credit control assesses the credit quality of the customers, their financial position, past experience in payments and other relevant factors.

The carrying amount of trade and other receivables, advances to suppliers, cash and cash equivalents and other bank balance, interest receivable on deposits on other deposits represents the Company's maximum exposure to credit risk. No other financial assets carry a significant exposure to credit risk.

Deposits and cash balances are placed with reputable banks.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, the management also considers the factors that may influence the credit risk of its customer base.

The management analyses each new customer individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered.

The maximum exposure to credit risk for trade and other receivables by geographic region was as follows:

Particulars	As at 31 March 2025	As at 31 March 2024
India	554.57	1,139.17
France	-	379.01
Belgium	76.24	-

At 31st March 2025, the Company's most significant customers, Bharat Electronics Limited, the holding company & THALES LAS FRANCE SAS accounted for INR 457.97 (INR 784) and INR NIL (INR 379.01) respectively.

The credit quality of the financial assets is satisfactory.

b) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting their obligations associated with its financial liabilities that are settled by delivering cash or another financial asset, or the risk that the Company will face difficulty in raising financial resources required to fulfil its commitments. The Company's approach to managing liquidity is to ensure, as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The company's principal sources of liquidity are cash and cash equivalents, other bank balances and the cash flow that is generated from operations. The company has no outstanding bank borrowings. The company believes that the cash and cash equivalents are sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

Exposure to liquidity risk

The table below details the company's remaining contractual maturity for its financial liabilities. The contractual cash flows reflect the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

BEL-THALES Systems Limited
(CIN U32106KA2014GOI076102)

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

The amount disclosed in the financial statements are the contractual undiscounted cash flows. Balance due within 12 months equal their carrying balances as the impact of discounting is not significant.

Particulars	1 year or less	More than 1 year	Adjustments	Carrying Value
31st March 2025				
Lease Liabilities	85.32	224.53	-	309.85
Trade Payable	2,206.48	-	-	2,206.48
Other Financial Liabilities	142.53	-	-	142.53
	2,434.33	224.53	-	2,658.86
31st March 2024				
Lease Liabilities	-	-	-	-
Trade Payable	1,858.73	-	-	1,858.73
Other Financial Liabilities	268.40	-	-	268.40
	2,127.13	-	-	2,127.13

c) Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates that affects the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The Company's activities expose it primarily to the financial risks of changes in foreign exchange rates and interest rate movements (refer to notes below on currency risk and interest risk). The Company enters into forward derivative contracts case by case depending upon risk tolerance limits to manage the risks of loss arising due to foreign exchange exposure. However, the Company has not entered into any derivative contracts during the year. Market risk exposures are measured using a sensitivity analysis. During the year ended 31 March 2025, there was no change to the manner in which the Group manages or measures market risk.

Currency risk

Foreign currency risk is the risk arising from exposure to foreign currency movement that will impact the Company's future cash flows and profitability in the ordinary course of business. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to its operating activities from procuring or selling in foreign currencies.

The Company is exposed to currency risk on account of trade receivables and trade payables in foreign currency. The functional currency of the Company is Indian Rupee. The Company uses forward exchange contracts on case by case basis based on the risk tolerance limits to hedge its currency risk, most with a maturity of less than one year from the reporting date.

(CIN U32106KA2014GOI076102)

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

Exposure to foreign currency risk

The currency profile of financial assets and financial liabilities as at 31 March 2025 and 31 March 2024 are as below:

Particulars	31 March 2025 EUR Amount	31 March 2025 INR (in Lakhs)
Financial Liabilities		
Trade and other payables	2258956.00	2131.32
Payable towards Capital Purchases	-	-
Contract Liabilities	124800.00	117.75
Total Payable	2383756.00	2,249.07
Financial Assets		
Trade Receivables	83000.00	76.24
Total Receivables	83000.00	76.24
Net Exposure	2300756.00	2172.83

Particulars	31 March 2024 EUR Amount	31 March 2024 INR (in Lakhs)
Financial Liabilities		
Trade and other payables	1991666.00	1825.18
Payable towards Capital Purchases	-	-
Contract Liabilities	229251.00	210.09
Total Payable	2220917.00	2,035.27
Financial Assets		
Trade Receivables	427000.00	379.01
Total Receivables	427000.00	379.01
Net Exposure	1793917.00	1656.26

The following significant exchange rates have been applied during the year:

Particulars	Average Rate for the year ended		Year-end Spot Rate	
	31 March 2025	31 March 2024	31 March 2025	31 March 2024
EUR	95.16	89.88	94.35	91.64

Sensitivity analysis

A reasonably possible strengthening/ (weakening) of the Indian Rupee against Euro at 31 March 2025 would have affected the measurement of financial instruments denominated in a foreign currency and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

BEL-THALES Systems Limited
(CIN U32106KA2014GOI076102)

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

As at 31 March 2025

Effect in INR	Profit / (loss) before tax		Effect on pre-tax equity	
	Strengthening	Weakening	Strengthening	Weakening
EUR sensitivity				
10% movement	217.28	(217.28)	Nil	Nil

As at 31 March 2024

Effect in INR	Profit / (loss) before tax		Effect on pre-tax equity	
	Strengthening	Weakening	Strengthening	Weakening
EUR sensitivity				
10% movement	165.63	(165.63)	Nil	Nil

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing instruments will fluctuate because of fluctuations in market interest rates.

Exposure to interest rate risk

The Company does not have any borrowings. Hence not subject to interest rate risks.

The Company's interest-bearing financial instruments (deposits with bank) as reported to the management of the Company is as follows:

Particulars	As at 31 March 2025	As at 31 March 2024
Fixed-rate instruments		
Financial assets – Deposits with original maturity of less than 3 months	-	1,900.00
Financial assets – Deposits with original maturity of less than 12 months	6,300.00	3,100.00

The company financial assets are fixed rate instruments. Hence not subject to sensitivity analysis.

Note 40 - Capital Management

The Company maintain a strong capital base so as to maintain investor, creditor and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders. The board of directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

The Company monitors capital using a ratio of 'debt' to 'adjusted equity'. For this purpose, debt is defined as total liabilities, comprising interest-bearing loans and borrowings and obligations under finance leases less cash and cash equivalents. Adjusted equity comprises all components of equity other than amounts accumulated in the hedging reserve.

BEL-THALES Systems Limited
(CIN U32106KA2014GOI076102)

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

The Company's adjusted net debt to equity ratio:

Particulars	As at 31 March 2025	As at 31 March 2024
Total borrowings #	-	-
Total equity	7,282.80	6,892.61
Less: Other components of equity	-	-
Adjusted equity	-	-
Adjusted net debt to adjusted equity ratio	00:01	00:01

Total borrowings comprises of long-term borrowings, short-term borrowing and bank overdraft facilities

Note 41 - Income taxes
a) Amount recognised in statement of profit and loss

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Current tax expenses:		
Current tax*	94.50	213.00
Changes in Estimates related to earlier years	(9.98)	(5.61)
Deferred tax (income)/expense:		
Origination and reversal of temporary differences	(20.17)	(18.27)
Tax expense for the year	64.35	189.11

b) Income tax recognised in OCI – Nil (31 March 2024 - Nil)
c) Reconciliation of effective income tax rate

Particulars	For the year ended 31 March 2025		For the year ended 31 March 2024	
	Rate %	Amount	Rate %	Amount
Profit/(Loss) before tax from continuing operation		540.17		466.10
Tax using the company's domestic tax rate (Income tax)	25.17%	135.95	25.17%	117.31
Tax effect of:				
Carry forward of business losses

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

Note 42 - Analytical Ratios

The following are the analytical ratios for the year ended:

Particulars	(b) Provisions	Denominator	31 March 2025	31 March 2024	Variance in Ratios	Reasons for variance
Current Ratio	Current Assets	Current Liabilities	3.17	3.44	-8%	1
Debt-Equity Ratio	Total Debt	Shareholder's Equity	0.04	-	0%	2
Debt Service Coverage Ratio	Earnings available for debt service	Debt Service	5.58	-	0%	3
Return on Equity Ratio	Net Profits after taxes	Average Shareholder's Equity	0.07	0.04	66%	4
Inventory Turnover Ratio	Cost of goods sold	Average Inventory	50.82	26.99	88%	5
Trade Receivable Turnover Ratio	Net Credit Sales	Average Trade Receivables	12.43	9.10	37%	6
Trade Payables Turnover Ratio	Net Credit Purchases	Average Trade Payables	5.45	6.39	-15%	7
Net Capital Turnover Ratio	Revenue	Working Capital	2.09	1.79	17%	8
Net Profit Ratio	Net Profits	Net Sales	0.04	0.03	38%	9
Return on Capital Employed	Earnings before interest and taxes	Capital employed	0.08	0.07	10%	10
Return on Investment	Income generated from Investments	Time weighted Average Investments	0.00	0.00	0%	

- Reduction in current Ratio during the F.Y. 2024-25 as compared to F.Y. 2023-24 is mainly due to increase in Trade Payables (Rs. 353.7), Lease Liability (Rs. 309.85) coupled with reduction in Other Financial Assets (Rs. 371.32), Trade receivables (Rs. 515.56) Lakhs and Increase in Bank balances (Rs. 1381.42).
- Increase is due to creation of New Lease Liability.
- Increase is due to creation of New Lease Liability.
- During the F.Y. 2024-25 PAT Increased by 64.81% as compared to PAT of F.Y. 2023-24 (Due to creation of DTA towards provision for Material Obsolescence Rs. 587.26).
- During the F.Y. 2024-25 WIP created against customer order. Hence there is an increase in Inventory Turn Over Ratio. Whereas during F.Y. 2023-24 Inventory provision of Rs. 586 lakhs was created towards Obsolescence.

BEL-THALES Systems Limited
(CIN U32106KA2014GOI076102)

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

6. The variance is due to increase in sales (25.51%) and reduction in Average Trade Receivables (17.58%) during the F.Y 2024-25 as compared to F.Y. 2023-24.
7. The reason for variance is due to substantial increase in purchase and coupled with minor increase in Average Trade Payable during F.Y. 2024-25 as compared to F.Y. 2023-24.
8. The reason for variance is due to Increase in Revenue from Operations (25.51%) during F.Y. 2024-25 as compared to F.Y. 2023-24.
9. Net Profit Ratio has improved because of increase in PAT during F.Y. 2024-25 as compared to F.Y. 2023-24.
10. During the current year there is increase in Operating profit. Resulted in improvement of Return on Capital Employed.

Note 43 - Value of remaining Performance Obligations (Pending Orders to be executed)

Unrecognised revenue from contracts with customer which are partially satisfied or unsatisfied (Pending orders to be executed)

As at 31 March 2025

- a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- b. provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Note 50 - The Company does not have any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

Note 51 - Estimation of uncertainty relating to the global health pandemic from Covid-19

In view of the unprecedented COVID-19 pandemic and economic forecasts, the management has evaluated the impact on the Company's financial statements for the year and noted that there are no adjustments required to revenue, debtors provisioning and actuarial assumptions. In assessing the recoverability of its assets including receivables, the management has considered internal and external information including economic forecasts. The Company has performed analysis on the assumptions used and based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions as the situation evolves.

Note 52 - Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16 – Property, Plant and Equipment

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its consolidated financial statements.

BEL-THALES Systems Limited
(CIN U32106KA2014GOI076102)

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements

(All amounts are in Lakhs ₹, unless otherwise stated)

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

Note 53 - Dividend not recognised at the end of the reporting period

The directors have recommended a final dividend of INR 2.48 (INR 1.44) per share.[Represents absolute figure.]

The proposed dividend is subject to approval of shareholders in the ensuing Annual General Meeting and if approved would result in cash outflow of approximately Rs. 142.89 Lakhs.

Note 54 - Previous year's figures

Previous year's figures have been regrouped/reclassified wherever necessary. Figures in brackets relate to Previous Year.

CNP Area, BEL Industrial Estate, Jalahalli, Bengaluru - 560 013, Karnataka, India

Notes to the financial statements for the year ended 31 March 2025
Material Accounting Policies on Ind AS Standalone Financial Statements
Corporate Information

The accompanying financial statements comprise the financial statements of BEL-THALES Systems Limited (BTSL). The Company was incorporated in India on August 28, 2014 under the Companies Act, 2013. The Company is a Subsidiary of Bharat Electronics Limited (Holding Company). BTSL was formed under the Joint Venture Agreement between Bharat Electronics Limited, Thales India Private Limited and Thales LAS France SAS, France.

The primary focus of the Company is to Design, Development, Marketing, Supply and Support of Civilian and select Defence Radars for Indian and Global markets.

Material Accounting Policies
1. Basis of Preparation

The financial statements are prepared and presented in accordance with Generally Accepted Accounting Principles in India (GAAP) comprises the mandatory Indian Accounting Standards (Ind AS) [as notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015], to the extent applicable, the provisions of the Companies Act, 2013 and these have been consistently applied.

2. Use of Estimates

The preparation of the financial statements in conformity with GAAP requires that the management make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liability and contingent assets as at the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Although such estimates are made on a reasonable and prudent basis taking into account of all available information, actual results could differ from these estimates and such differences are recognised in the period in which the results are ascertained.

3. Basis of Measurement

The financial statements have been prepared on a historical cost basis except for the following assets and liabilities which have been measured at fair value:

- Derivative financial instruments, if any
- Financial assets and liabilities that are qualified to be measured at fair value
- The defined benefit asset / liability is recognised as the present value of defined benefit obligation less fair value of plan assets.

4. Functional and Presentation Currency

The financial statements are presented in Indian Rupee (INR) which is the functional and the presentation currency of the Company.

5. Revenue Recognition
A. Revenue from Contract with Customers

- i. Revenue is recognized when (or as) the company satisfies a performance obligation by transferring a promised goods or services (i.e., an Asset) to a Customer.

ii. Satisfaction of performance obligation over time

- a. Revenue is recognised over time where the transfer of control of goods or services take places over time by measuring the progress towards complete satisfaction of that performance obligation, if one of the following criteria is met:
 - the company's performance entitles the customer to receive and consume the benefits simultaneously as the company performs
 - the company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced
 - the company's performance does not create an asset with an alternative use to the company and the company has an enforceable right to payment for performance completed to date
- b. Progress made towards satisfying a performance obligation is assessed based on the ratio of actual costs incurred on the contract up to the reporting date to the estimated total costs expected to complete the contract. If the outcome of the performance obligation cannot be estimated reliably and where it is probable that the costs will be recovered, revenue is recognised to the extent of costs incurred.
- c. In case of AMC contracts, where passage of time is the criteria for satisfaction of performance obligation, revenue is recognised using the output method.

iii. Satisfaction of performance obligation at a point in time

- a. In respect of cases where the transfer of control does not take place over time, the company recognises the revenue at a point in time when it satisfies the performance obligations.
- b. The performance obligation is satisfied when the customer obtains control of the asset. The indicators for transfer of control include the following:
 - the company has transferred physical possession of the asset
 - the customer has legal title to the asset
 - the customer has accepted the asset
 - when the company has a present right to payment for the asset
 - the customer has the significant risks and rewards of ownership of the asset. The transfer of significant risks and rewards ownership is assessed based on the Incoterms of the contracts

Ex-Works contract – In case of Ex-works contract, revenue is recognised when the specified goods are unconditionally appropriated to the contract after prior Inspection and acceptance, if required.

FOR Contracts – In the case of FOR contracts, revenue is recognised when the goods are handed over to the carrier for transmission to the buyer after prior inspection and acceptance, if stipulated, and in the case of FOR destination contracts, if there is a reasonable expectation of the goods reaching destination within the accounting period.

- c. Bill and hold Sales Bill and hold sales is recognised when all the following criteria are met:
 - the reason for the bill and hold sales is substantive
 - the product is identified separately as belonging to the customer
 - the product is currently ready for physical transfer to the customer

- the company does not have the ability to use the product or to direct it to another customer

iv. Measurement

- Revenue is recognized at the amount of the transaction price that is allocated to the performance obligation.

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amount collected on behalf of third parties.

In case of price escalation and ERV, revenue is recognised at most likely amount to be realised from customer in line with contractual terms.

- In case where the contracts involve multiple performance obligations, the company allocates the transaction price to each performance obligation on the relative stand-alone selling price basis.

Bundled Contracts - In case of a Bundled contract, where separate fee for installation and commissioning or any other separately identifiable component is not stipulated, the Company applies the recognition criteria to separately identifiable components (sale of goods and installation and commissioning, etc.) of the transaction and allocates the revenue to those separate components based on stand-alone selling price.

Multiple Elements - In cases where the installation and commissioning or any other separately identifiable component is stipulated and price for the same agreed separately, the Company applies the recognition criteria to separately identified components (sale of goods and installation and commissioning, etc.) of the transaction and allocates the revenue to those separate components based on their standalone selling price.

- If the standalone selling price is not available the company estimates the stand alone selling price.

v. Penalties

Penalties (including levy of liquidated damages for delay in delivery) specified in a contract are not treated as an inherent part of Transaction Price if the levy of same is subject to review by the customer.

vi. Significant financing component

Advances received towards execution of Defence related projects are not considered for determining significant financing component since the objective is to protect the interest of the contracting parties.

In respect of other contracts, the existence of significant financing component is reviewed on a case to case basis

B. Other Income

Recognition of other income is as follows

i. Interest Income

Interest income is recognised using the effective interest rate method.

ii. Dividend Income

Dividend income is recognised when the Company's right to receive the payment is established.

iii. Rental Income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease term unless increase in rentals are in line with expected inflation or otherwise justified.

iv. Other Income

Other income not specifically stated above is recognised on accrual basis.

6. Property, Plant and Equipment, Capital Work-in-Progress

Property, plant and equipment is initially measured at cost and subsequently at cost less accumulated depreciation and cumulative impairment losses, if any. Cost for this purpose includes all attributable costs for bringing the asset to its location and condition. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset, if the recognition criteria for a provision are met.

The cost of fixed assets not ready for their intended use as at each balance sheet date is disclosed as capital work-in-progress.

Capital work-in-progress comprises supply-cum erection contracts, the value of capital supplies received at site and accepted, capital goods in transit and under inspection and the cost of Property, Plant and equipment that are not yet ready for their intended use as at the balance sheet date.

7. Intangible Assets, Intangible Asset under Development

The cost of software (which is not an integral part of the related hardware) acquired for internal use and resulting in significant future economic benefits, is recognised as an Intangible Asset in the books of accounts when the same is ready for use. Intangible Assets that are not yet ready for their intended use as at the Balance Sheet date are classified as "Intangible Assets under Development".

Cost of Developmental work which is completed, wherever eligible, is recognised as an Intangible Asset. Cost of Developmental work under progress, wherever eligible, is classified as "Intangible Assets under Development".

Carrying amount includes amount funded by the company to external agencies towards developmental project(s) and expenditure incurred by the company towards material cost, employee cost and other direct expenditure.

Intangible assets are initially measured at cost and subsequently at cost less accumulated amortisation and cumulative impairment losses, if any. An intangible asset is derecognised on disposal or when no future economic benefits are expected from their use or disposal. Gains or losses on derecognition of intangible assets, if any, are recognised in the statement of profit and loss.

8. Depreciation / Amortisation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets. The Company, based on technical assessments, depreciates certain items of building, plant and equipment and other asset classes over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Where cost of a part of the asset is significant to total cost of the asset and estimated useful life of that part is different from the estimated useful life of the remaining asset, estimated useful life of that significant part is determined separately and the significant part is depreciated on straight-line basis over its estimated useful life.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Intangible assets are amortised over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The residual values, useful lives and amortisation methods, are reviewed periodically at each financial year end.

9. Disposal of Property, Plant and Equipment

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the property, plant and equipment (calculated as the difference between the net disposal proceeds, if any and the carrying amount of the property, plant and equipment) is included in the statement of profit and loss when the property, plant and equipment is derecognised.

10. Research and Development Expenditure

- i. Expenditure on Research activity is recognised as an expense in the period when it is incurred.
- ii. Development expenditure (other than on specific development - cum sales contracts and Developmental projects initiated at customer's request), is charged off as expenditure when incurred. Developmental expenditure on development - cum - sale contracts and on Developmental projects initiated at customer's request are treated at par with other sales contracts.

Development expenditure incurred in respect of Joint development projects which are not fully compensated by the development partner are carried forward where the company is nominated as a production agency and future economic benefits are expected.

Developmental projects are reviewed periodically and the amount carried forward, if any, is charged off in the event of the project being declared closed by the customer / end user without any commitment to place order.

- iii. Expenditure incurred towards other developmental activity (including joint developmental activity in collaboration with external agencies) where the research results or other knowledge is applied for developing new or improved products or processes, are recognised as an Intangible Asset if the recognition criteria specified in Ind AS 38 are met and when the product or process developed is expected to be technically and commercially usable, the company has sufficient resources to complete development and subsequently use or sell the intangible asset, and the product or process is likely to generate future economic benefits.
- iv. Expenditure incurred on Developmental projects for participating in No Cost No Commitment (NCNC) trials, based on Request for Quote from customer, are carried forward till conclusion of the trials and will be amortised over the orders to be received.

In case customer order is immediately not forthcoming:

- the amount is capitalised if further economic benefit is expected from its use, or
- the amount is charged off in the event of the project being closed by the customer / end user without any commitment to place order

11. Expenditure on Technical Know-How

Expenditure incurred on technical know-how is charged off to Statement of Profit and Loss on incurrence unless it qualifies for recognition as an Intangible Asset either separately on its own or in combination with other assets / expenses.

12. Investment Property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

13. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset in determining fair value less costs of disposal.

Reversal of impairment provision is made when there is an increase in the estimated service potential of an asset or Cash Generating Unit (CGU), either from use or sale, on reassessment after the date when impairment loss for that asset was last recognised.

14. Leases

Company as a Lessee

Contracts with third party, which give the company the right of use in respect of an Asset, are accounted in line with the provisions of Ind AS 116 – Leases, if the recognition criteria as specified in the Accounting standard are met.

Lease payments associated with Short terms leases and Leases in respect of Low value assets are charged off as expenses on straight line basis over lease term or other systematic basis, as applicable.

At commencement date, the value of "right of use" is capitalised at the present value of outstanding lease payments plus any initial direct cost and estimated cost, if any, of dismantling and removing the underlying asset and presented as part of property, plant and equipment.

Subsequent measurement of right-of-use asset is made using Cost model.

Liability for lease is created for an amount equivalent to the present value of outstanding lease payments and presented as Borrowing.

Each lease payment is allocated between the liability created and finance cost. The finance cost is charged to the Statement of Profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

The right-of-use asset is depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

The lease payments are discounted using the interest rate implicit in the lease, if that rate can be determined, or the company's incremental borrowing rate.

Lease modifications, if any, are accounted as a separate lease if the recognition criteria specified in the standard are met.

Company as a Lessor

Leases are classified as operating lease or a finance lease based on the recognition criteria specified in Ind AS 116 – Leases

a. Finance Lease:

At commencement date, amount equivalent to the “net investment in the lease” is presented as a Receivable. The implicit interest rate is used to measure the value of the “net investment in Lease”.

Each lease payment is allocated between the Receivable created and finance income. The finance income is recognised in the Statement of Profit and loss over the lease period so as to reflect a constant periodic rate of return on the net investment in Lease.

The asset is tested for de-recognition and impairment requirements as per Ind AS 109 – Financial Instruments.

Lease modifications, if any, are accounted as a separate lease if the recognition criteria specified in the standard are met.

b. Operating Lease:

The company recognises lease payments from operating leases as income on either a straight-line basis or another systematic basis, if required.

Lease modifications, if any, are accounted as a separate lease if the recognition criteria specified in the standard are met.

15. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. General borrowing costs are capitalised to qualifying assets by applying a capitalisation rate to the expenditure on that asset. The capitalisation rate is the weighted average of the borrowing costs applicable to general borrowings outstanding, other than specific borrowings. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

16. Government Grants

Grants from Government are measured at fair value and initially recognised as Deferred Income.

The amount lying in Deferred Income on account of acquisition of Fixed Assets is transferred to the credit of Statement of Profit and Loss in proportion to the depreciation charged on the respective assets to the extent attributable to Government Grants utilised for the acquisition.

The amount lying in Deferred Income on account of Revenue Expenses is transferred to the credit of Statement of Profit and Loss to the extent of expenditure incurred in the ratio of the funding to the total sanctioned cost, limited to the government grant received.

17. Inventories

All inventories of the Company other than disposable scrap are valued at lower of cost or net realisable value. Disposable scrap is valued at estimated net realisable value. Cost of materials is ascertained by using the weighted average cost formula.

Cost of Work - in - progress and finished goods include Materials, Direct Labour and appropriate overheads. Adequate provision is made for inventory which are more than five years old which may not be required for further use.

18. Income Taxes

Income tax comprises of current and deferred tax.

i. Current Income Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date. Current tax relating to items recognised directly in other comprehensive income or equity is recognised in other comprehensive income or equity respectively and not in the Statement of profit and loss.

ii. Deferred Tax

Deferred tax is provided using the Balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

19. Provision for Warranties

Provision for expenditure on account of performance guarantee & replacement / repair of goods sold is made on the basis of trend based estimates.

In cases where a trend is not ascertainable, provision for warranty is made based on the best estimate of management.

20. Foreign currency transactions and translation

Transactions in foreign currencies are initially recorded by the Company at their respective currency exchange rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency exchange rate at the reporting date. Differences arising on settlement or translation of monetary items are recognised in Statement of profit and loss. Nonmonetary items that are measured in terms of historical cost in a foreign currency are translated using the functional currency exchange rate at the dates of the initial transactions.

21. Employee Benefits

- i. All employee benefits payable wholly within twelve months of rendering the related services are classified as short term employee benefits and they mainly include (a) Wages & Salaries; (b) Short-term compensated absences; (c) Profit-sharing, incentives and bonuses and (d) Non-monetary benefits and they are valued on undiscounted basis and recognised during the period in which the related services are rendered.
- ii. Incremental liability for payment of long term compensated absences such as Earned Leave is determined as the difference between present value of the obligation determined annually on actuarial basis using Projected Unit Credit method and the carrying value of the provision contained in the balance sheet and provided for.
- iii. Defined Contributions to the Government administered Employee State insurance Fund, Employees Provident Fund and Pension Scheme are made on monthly accrual basis at applicable rates and charged as expenses during the period in which the employees perform the services.

- iv. Incremental liability for payment of Gratuity to all eligible employees is determined as the difference between present value of the obligation determined annually on actuarial basis using Projected Unit Credit Method and the carrying value of the provision contained in the balance sheet and provided for.
- v. Actuarial liability for the year is determined with reference to employees at the end of January of each year.
- vi. Employee benefits - Employees deputed in the Company

Employee benefits to be borne by the company are as per terms and conditions of the deputation order. They are accounted on accrual basis and charged off and remitted periodically to the deputing company wherever applicable.

22. Provision & Contingent Liabilities/Assets

A. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

A provision for onerous contracts is recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

B. Contingent Liabilities/Assets

Contingent Liabilities/Assets to the extent the Management is aware, are disclosed by way of notes to the financial statements.

23. Cash Flow Statement

Cash flow statement has been prepared in accordance with the indirect method prescribed in Ind AS 7 - Statement of Cash Flows.

24. Fair value Measurement

The Company measures certain financial instruments, such as derivatives and other items in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

25. Financial Assets

i. Initial Recognition and Measurement

All financial assets are recognised initially at fair value. In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are included in the cost of the asset.

ii. Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments measured at amortised cost,
- Debt instruments measured at fair value through other comprehensive income (FVTOCI),
- Debt instruments, derivatives and equity instruments measured at fair value through profit or loss (FVTPL),
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

iii. Derecognition

A financial asset or part of a financial asset is derecognised when the rights to receive cash flows from the asset have expired.

iv. Trade and Other Receivables

Receivables are initially recognised at fair value, which in most cases approximates the nominal value. If there is any subsequent indication that those assets may be impaired, they are reviewed for impairment.

26. Forward Contracts

The Company uses derivative financial instruments such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

27. Embedded Derivative

The embedded derivative, if required, is separated from host contract and measured at fair value.

28. Cash and Cash Equivalents

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash, which are subject to an insignificant risk of change in value. Bank overdrafts, if any, are classified as borrowings under current liabilities in the balance sheet.

29. Impairment of Financial Assets

In accordance with Ind-AS 109, the Company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets with credit risk exposure.

- a. Time barred dues from the government / government departments / government companies are generally not considered as increase in credit risk of such financial asset.

- b. Where dues are disputed in legal proceedings, provision is made if any decision is given against the Company even if the same is taken up on appeal to higher authorities / courts.
- c. Dues outstanding for significant period of time are reviewed and provision is made on a case to case basis.

Impairment loss allowance (or reversal) is recognised as expense / income in the statement of profit and loss.

30. Financial Liabilities

i. Initial Recognition and Measurement

Financial liabilities are classified, at initial recognition, at fair value through profit or loss as loans, borrowings, payables, or derivatives, as appropriate. Loans, borrowings and payables, are stated net of transaction costs that are directly attributable to them.

ii. Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below: Financial Liabilities at fair value through Profit or Loss: Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined in Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

iii. Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate method (EIR). Gains and losses are recognised as profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

iv. Trade and Other Payables

Liabilities are recognised for amounts to be paid in future for goods or services received, whether billed by the supplier or not.

31. Reclassification of Financial Instruments

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively.

32. Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

33. Cash Dividend and Non-Cash distribution to Equity Holders

The Company recognises a liability to make cash or non-cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company.

34. Errors and Estimates

The Company revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the financial statements. Changes in accounting policies are applied retrospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to statement of profit and loss is applied prospectively in the period(s) of change.

Discovery of material errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

35. Earnings Per Share

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the period, adjusted for own shares held. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary equity holders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

36. Events after the Reporting Period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.
